## Bedroom

(Upstairs - (Mosquito nets are optional, and with glass windows/screens they wouldn't be necessary))

All the upstairs walls are made with Cristobal Wood (one of the finest hardwoods in Costa Rica, which is rare and very hard to find)

Upstairs bathroom/shower. A toilet was recently added where the blue table is located in the photo

Road in front of Casita Milagro

Suggestion/Increase Value:  
Paint a mural on this wall (my friend  
Mona Caron might be coming down  
to paint murals this winter or  
spring, her work is amazing!)

## Bodega on Bottom Floor

Bodega has a wooden shelf built-in along east wall  
(This space is also big enough to park/store ATVs,  
motorcycles, bikes, rafts, and other rentable equipment)
